

**Scientific secretary:** F. Cellini, G. Chiloiro

UNIVERSITÀ  
CATTOLICA  
del Sacro Cuore

Gemelli

ART  
Advanced Radiation  
Therapy

**Program and information** available on:

<http://www.gemelliart.it/world-rectal-conference-4.html>

**Faculty:** A.L. Appelt (Denmark), S. Bach (UK), B. Barbaro (Italy), G. Beets-Tan (The Netherlands), J. Borrás (Spain), F. Cellini (Italy), G. Chiloiro (Italy), C.Coco (Italy), G. Costamagna (Italy), G.B. Doglietto (Italy), D. D'Ugo (Italy), M.A. Gambacorta (Italy), J.P. Gérard (France), C. Marijnen (The Netherlands), M. Martens (UK), A.S. Myint (UK), L. Petruziello (Italy), S. Pucciarelli (Italy), P. Quirke (UK), D. Sebag-Montefiore (UK), D. Tuynman (The Netherlands), V. Valentini (Italy), C. Van de Velde (The Netherlands), T. Vuong (Canada).

**Registration fee:**

100 euro – AIRO Juniores, person in training, early registration (30 May 2016)

200 euro – full registration

**Registration:** available from 15 May 2016

**Contact for registration:** [radioterapia@policlinicogemelli.it](mailto:radioterapia@policlinicogemelli.it)

**VENUE:**

Università Cattolica del Sacro Cuore  
Policlinico Universitario Agostino Gemelli  
Gemelli ART - Aula Forum (Radioterapia) - 2° Floor (Main Entrance)  
Largo A. Gemelli, 8  
00168 Rome (Italy)

## 4<sup>th</sup> WORLD RECTAL CONFERENCE

Rome, 6-7 October, 2016

**Fondazione Policlinico Universitario  
“Agostino Gemelli”**

*Scientific coordinators:*

**Vincenzo Valentini – Corrie Marijnen – Tè Vuong**

*Request of endorsement by:*

## Thursday, 6 October 2016

- 14:00 Welcome:** V. Valentini (*Italy*)  
**14:10 Aim of the Conference:** C. Marijnen (*The Netherlands*)  
**14:15 Agenda of the meeting:** T. Vuong (*Canada*)

### I Session: Patient Selection (Moderators: J.P: Gérard and G.B. Doglietto)

#### **Fit cases for surgery after RTCHEM or 5x5 delay surgery**

- 14:30 First case: C. Marijnen (*The Netherlands*)  
14:40 Second case: G Chiloiro (*Italy*)  
14:50 Discussion

#### **Unfit cases for surgery or refused surgery with early cancer**

- 15:15 First case: T. Vuong (*Canada*)  
15:25 Second case: C.Coco (*Italy*)  
15:35 Discussion

#### **16:00 Break**

### II Session: Biological and imaging challenges (Moderators: C. Van De Velde, B. Barbaro)

- 16:30 Challenges in Biology and Pathology:** P. Quirke (*UK*)  
**16:50 Challenges in Radiology Imaging:** M. Martens (*The Netherlands*)  
**17:10 Challenges in Endoscopy Imaging:** L. Petruzzello (*Italy*)  
**17:30 Challenges in complete response definition:** S. Bach (*UK*)  
**17:50 Challenges in expecting better result increasing the dose:** A.L. Appelt  
(*Denmark*)  
**18:10** Discussion

## Friday, 7 October 2016

### III Session: State of ART of W&W and local excision strategies (Moderators: A. S. Myint, G. Costamagna)

- 08:30 Target Volumes in W&W or local excision perspective:** D. Sebag –Montefiore  
(*UK*)  
**08:50 Tumor control data in W&W:** G. Beets (*The Netherlands*)  
**09:10 Tumor control data in local excision:** C. Coco (*Italy*)  
**09:30 QoL in organ preservation:** C. Marijnen (*The Netherlands*)  
**09:50** Discussion: J. Borras (*Spain*) + patient  
**10:30 Break**

### IV Session: On-going research on W&W and TEM strategies (Moderators: V. Valentini, A.L. Appelt)

- 11:00 OPERA:** A.S. Myint (*UK*)  
**11:10 STAR TREC:** S. Bach (*UK*)  
**11:20 KIR study:** T. Vuong (*Canada*)  
**11:30 Herbert:** C. Marijnen (*The Netherlands*)  
**11:40 RESARCH/Bridge:** S. Pucciarelli (*Italy*)  
**11:50 TESAR:** J. Tuynman (*The Netherlands*)  
**12:00 Eurecca:** C.J. Van de Velde (*The Netherlands*)  
**12:10 New proposal:** ...  
**12:20** Discussion: J. Borras (*Spain*) + patient  
**13:00 Lunch**

### V Session: On-going research by large data bases strategy (Moderators: C. Marijnen, D. D’Ugo)

- 14:30 Estimated population for organ preservation:** J. Borras (*Spain*)  
**14:50 Data mining and support decision tools:** V. Valentini (*Italy*)  
**15:10 W&W databases:** C.J. Van de Velde (*The Netherlands*)  
**15:30 EURECCA- Italy database:** MA. Gambacorta (*Italy*)  
**15:50** Discussion

### VI Session: Organ preservation in on-going clinical practice (Moderators: D. Sebag-Montefiore, M.A. Gambacorta)

#### **When to propose organ preservation in early cancer**

- 16:00 Case presentation: G. Beets (*The Netherlands*)

#### **When to propose organ preservation after major response after RTCHEM or 5x5 delay surgery**

- 16:15 First case: F. Cellini (*Italy*)  
16:30 Second case: C. Marijnen (*The Netherlands*)  
16:45 Third case: T. Vuong (*Canada*)

#### **17:00 Course conclusion**
