Milano, 11/8/25

Con la presente lettera, desidero esprimere la mia motivazione e il mio impegno nell'essere parte integrante di un'organizzazione così prestigiosa e significativa nel campo dell'oncologia ed in particolare nel mondo dei sarcomi che ho iniziato ad apprezzare dal momento che sono approdata in INT.

Qui ho incontrato colleghi che mi hanno introdotto ed insegnato a conoscere queste patologie rare e a gestire al meglio i pazienti.

Ho dedicato gran parte della mia carriera professionale allo studio e al trattamento dei sarcomi, una branca dell'oncologia che richiede non solo competenze mediche e tecniche avanzate, ma anche una profonda dedizione alla ricerca, alla collaborazione interdisciplinare e al miglioramento continuo delle pratiche cliniche.

Sono particolarmente interessata a collaborare attivamente con altri professionisti esperti nel settore, condividendo idee, esperienze per migliorare la gestione clinica dei sarcomi e garantire un'assistenza completa e personalizzata ai pazienti.

Sono consapevole delle sfide e delle responsabilità che comporta far parte del neo Gruppo di Studio dei Sarcomi dei tessuti molli e dell'osso di AIRO, ma sono pronta ad affrontarle con determinazione, impegno e dedizione.

Ringrazio anticipatamente per l'attenzione dedicatami e resto a disposizione per eventuali chiarimenti o ulteriori informazioni necessari.

Cordiali saluti

Drssa Claudia Sangalli
