

Curriculum Vitae

Mariangela Massaccesi, MD

Radiation Oncologist – Gemelli ART, Fondazione Policlinico Universitario A. Gemelli IRCCS

📍 Rome, Italy | 📞 +39 320 844 3417 | ✉️ mariangela.massaccesi@policlinicogemelli.it

Personal Information

Citizenship: Italian

Date of Birth: 27 January 1979

Mother Tongue: Italian

Other Languages: English (B2 CEFR – Listening, Reading, Speaking, Writing)

Professional Sector: SC/SSD 06/D1 – Imaging, Radiotherapy and Neuroradiology – MED/36

Professional Summary: Experienced Radiation Oncologist with over 15 years of clinical and academic experience in head and neck cancers, stereotactic radiotherapy, re-irradiation, and radio-immunotherapy combinations. Recognized for leadership in innovative techniques such as spatially fractionated radiotherapy (SFRT). Active member and contributor to national and international working groups (ESTRO, AIRO, AIOCC). Strong educational background with extensive teaching roles and over 90 peer-reviewed publications.

Current Position: Radiation Oncologist *Gemelli ART – Fondazione Policlinico Universitario A. Gemelli IRCCS, Rome* **July 2019 – Present**

Work experience	
Dates	July 2019-ongoing
Occupation or position held	Radiation Oncologist, permanent job contract
Name and address of employer	Radiotherapy Unit, Gemelli-ART, Fondazione Policlinico Universitario "Agostino Gemelli" IRCCS. Rome, Italy
Dates	July 2016-June 2019
Occupation or position held	Radiation Oncologist, temporary job contract
Name and address of employer	Radiotherapy Unit, Gemelli-ART, Fondazione Policlinico Universitario "Agostino Gemelli". Rome, Italy
Dates	December 2014-June 2016
Occupation or position held	Radiation Oncologist, Radiotherapy Unit, Gemelli-ART, Fondazione Policlinico Universitario "Agostino Gemelli". Rome, Italy
Name and address of employer	Medipass, Via Ilio Barontini, 40138 Bologna 20
Dates	August 2013 - November 2014
Occupation or position held	Specialty trainee in Radiology
Name and address of employer	Dipartimento di Diagnostica per Immagini, Imaging Molecolare e Radiologia Interventistica. Azienda Ospedaliera Universitaria Policlinico Tor Vergata. Rome, Italy
Dates	July 2011-May2012
Occupation or position held	Radiation Oncologist, temporary job contract
Name and address of employer	Dipartimento di Oncologia, Unità Operativa Complessa di Radioterapia Fondazione di ricerca e cura "Giovanni Paolo II" - Università Cattolica S. Cuore. Campobasso, Italy
Dates	November 2008-June 2011
Occupation or position held	Radiation Oncology Consultant, temporary job contract
Name and address of employer	Dipartimento di Oncologia, Unità Operativa Complessa di Radioterapia Centro di Ricerca e Formazione ad Alta Tecnologia nelle Scienze Biomediche - Università Cattolica S. Cuore – Campobasso, Italy
Dates	November 2007-October 2008
Occupation or position held	Radiation Oncologist, temporary job contract
Name and address of employer	Dipartimento di Bioimmagini e Scienze Radiologiche, Unità Operativa Complessa di Radioterapia Policlinico Universitario "Agostino Gemelli" - Università Cattolica S. Cuore. Rome, Italy
Education and training	
Dates	November 2003-October 2007
Name and type of organisation providing education and training	Università Cattolica del Sacro Cuore. Rome, Italy
Title of qualification awarded	Residency Programme in Radiation Oncology (50/50 and honors)
Dates	September 1997-October 2003
Name and type of organisation providing education and training	Università Cattolica del Sacro Cuore. Rome, Italy

Title of qualification awarded	Degree in Medicine and Surgery (110/110 and honors)
Dates	1997
Name and type of organisation providing education and training	Liceo Classico Padre Alberto Guglielmotti. Civitavecchia, RM, Italy
Title of qualification awarded	Classic High School diploma (60/60 and honors)
Scientific Activities

Academic Roles:	Teaching Dr. Mariangela Massaccesi has extensive teaching experience at the Università Cattolica del Sacro Cuore, Rome, across multiple academic programs. Her contributions include both undergraduate and postgraduate education in radiation oncology and related disciplines. Università Cattolica del Sacro Cuore, Rome 2021 – Present Degree Program in Medicine and Surgery Course: <i>Professional Training in Radiodiagnostics and Radiotherapy</i> Academic Years: 2021/2022 – 2024/2025 Role: Lecturer (20–25 hours/year) Responsibilities: Delivery of lectures and practical training sessions; mentoring of medical students; active participation in examination boards and graduation committees. Postgraduate Master’s Program – Advanced Competencies for TSRM Specialists in Radiation Oncology Courses Taught: <i>Clinical Dosimetry and Clinical and Psychological-Relational Aspects</i> Academic Years: 2022/2023 – 2023/2024 Role: Lecturer (3–4 hours/year) Focus: Training healthcare professionals in advanced technical and communication skills related to radiation oncology. Specialization School in Radiation Oncology Academic Years: 2022/2023 – 2023/2024 Role: Lecturer and Clinical Supervisor Courses and Teaching Load: <i>Radiotherapy Professional Activities (1st year): 8–77 hours/year</i> <i>Quality Controls 2 (2nd year): 3 hours/year</i>
------------------------	--

	○ <i>Professional Activities</i> (3rd and 4th years): 7–44 hours/year Scope: Comprehensive clinical education and supervision of residents in all stages of specialty training, with emphasis on quality assurance and professional development.

Lettera programmatica – Candidatura a Consigliere del Gruppo di Studio AIRO Testa-Collo

Cari Colleghi,

sono lieta di presentare la mia candidatura per il ruolo di Consigliere del Gruppo di Studio AIRO Testa-Collo.

Da anni lavoro presso il Policlinico Universitario “A. Gemelli” di Roma, dove mi occupo in particolare del trattamento dei tumori testa-collo, con attenzione ai casi complessi, ai re-trattamenti, all’integrazione con l’immunoterapia e alle tecniche avanzate, come la spatially fractionated radiotherapy (SFRT). Alla pratica clinica affianco un’attività costante di ricerca e insegnamento, che considero parte integrante del mio lavoro.

Credo molto nel valore della collaborazione all’interno della nostra comunità scientifica. Il Gruppo di Studio rappresenta un’occasione importante per condividere esperienze, confrontarsi sulle criticità quotidiane e crescere insieme come professionisti.

In questo contesto, vorrei contribuire in modo attivo portando alcune proposte che sento particolarmente vicine:

- Favorire il coinvolgimento attivo dei colleghi più giovani, creando spazi di confronto, tutoring e formazione dedicati, per valorizzare il contributo delle nuove generazioni.
- Promuovere sinergie reali tra discipline e società scientifiche (in particolare AIOCC, AIRO Giovani, ESTRO), anche attraverso progetti condivisi, incontri congiunti e linee guida multidisciplinari.
- Sostenere la ricerca multicentrica e la raccolta di dati real-world, con la creazione di registry tematici o audit nazionali su temi clinici rilevanti come la re-irradiazione, le strategie di de-escalation, le tossicità nei giovani adulti o la gestione dei pazienti fragili.

Mi candido con spirito di servizio, entusiasmo e voglia di contribuire in modo concreto, mettendo a disposizione l’esperienza maturata in questi anni ma anche la volontà di ascoltare e collaborare.

Grazie per l’attenzione e per l’opportunità.

Un cordiale saluto,
Mariangela Massaccesi
